June 30, 2025

Invitation Letter for the Conference on Several Complex Variables – L^2 Estimates and Extensions –

Dear Distinguished Participants,

It is our great pleasure to invite you to deliver a one-hour invited talk at the upcoming international conference

Conference on Several Complex Variables
– L^2 Estimates and Extensions –

to be held at Tohoku University in Sendai, Japan, from **September 22 to 26, 2025**.

This conference aims to bring together leading researchers in complex analysis and geometry to discuss recent developments in $\bar{\partial}$-theory, L^2 techniques, and extension problems. Your profound contributions to the field would greatly enrich the academic program and stimulate fruitful discussions among participants. We sincerely hope you will be able to join us and present your recent work to an audience of specialists, early-career researchers, and students.

If needed, the organizer's research fund will fully cover your travel and accommodation expenses. Should you require such support, please kindly inform us. Please do not hesitate to contact us if you need any further information. We very much hope you will be able to attend and contribute to the success of this event. Further details will be made available on the official website:
`https://takahiro-ina.github.io/sendai2025/`

Sincerely yours,

Shin-ichi Matsumura
Professor,
Department of Mathematics
Tohoku University, Japan
`mshinichi-math@tohoku.ac.jp`
On behalf of the organizers:
Shin-ichi Matsumura (Tohoku University),
Takahiro Inayama (Kyoto University),
Yuta Watanabe (Tohoku University)
